The California State Office concurs that a more effective internal and external system of communication and coordination will greatly benefit the management of the National Scenic and National Historic Trails in California. In addition, the Memorandum for the Management and Administration of National Historic and National Scenic Trails that was recently signed by the BLM, Forest Service, National Park Service, and the Federal Highway Administration will also allow for greater interagency coordination of these National Scenic and National Historic Trails.

If you require additional information about the Trail Liaisons and Trail Contacts for the National Scenic and National Historic Trails in California, please contact Tim Smith, Recreation Program Manager at (916) 978-4644 or Mark Conley at (916) 978-4654.
